Elgg: Logging In, Tools & the Dashboard

The address for the High School E server is <https://hselgg.dublinschools.net>. Teachers login with their FirstClass username and password. Student need to have the DCS Web 2.0 permission slip signed by their parents, collected by the teachers and turned into a TST so they can added to Elgg.

Elgg Toolbar

The Elgg Interface: The Elgg Interface is divided into two sections. The top Menu is often referred to as the **Toolbar**. The Toolbar allows you to work on the various Elgg widgets (The Wire, Blogs, etc). The Elgg **Dashboard** is below the **Toolbar** and contains the latest changes to Elgg. Because it is dynamic, the look of the Dashboard frequently changes.
